

Notre Dame High School Grades 7-8

STUDENT SUPPLY LIST 2021-2022

General Supplies

School Uniforms: Uniform shirts and sweatshirts are available through Foley enterprises, https://shop.foleyenterprises.com/NDHS_Uniforms/shop/home; the link is also available on the homepage of the ND website as well. The dress code, which has directions for shorts, pants, and shoes, etc., is available on the website in the Code of Conduct under the parent tab.

**New this year: Students will be permitted to wear either Navy or Khaki pants or shorts. This will be updated soon on the website.

Physical Education uniforms: All students are required to wear ND gym uniforms, top, bottom and sneakers. The ND PE uniforms are available through the BSN NDHS PE School Store <https://www.bsnteamssports.com/shop/NDPE21>. The store is open From: July 28 - August 11, 2021. When ordering please use the Access Code: NDPE21.

Assignment Pad: Students will receive a simple planner during the first week of school. We expect that every student will have a planner and use it to keep track of assignments daily; if the student wishes to provide his or her own, that is perfectly acceptable.

Students are always expected to have:

- **Loose leaf paper** for homework and tests, **graph paper**
- **Binder Dividers**—how many will depend on the individual teacher
- **Pens** (dark blue or black), **pencils** with erasers, and a **red pen** for correcting work
- Yellow or light color **highlighters**, pack of **colored pencils**
- A **pencil case/pouch** to hold the previous items; please label with name.
- All text **books covered**—heavy paper or book sock
- A **laptop or tablet-fully charged everyday**. Chromebooks are available to borrow through NDHS for those students who do not have their own laptop/tablet. If you need to sign-out a Chromebook please contact Mr. Michael Cinquanti-NDHS Technology Director at <mailto:cinquantim@notredamehighschool.com>.

Please bring a box of tissues to donate to your homeroom for use during the year. If everyone contributes, we'll be set for the first semester at least. It is absolutely amazing how many boxes of tissues we go through in a school year, and every student uses them. Please help.

For your information: Locker shelves (9” wide / 11” deep locker), magnetic organizers, and magnets are always a big help. You will be given combination locks for your hall locker and gym locker and you MUST use ND locks.

Don't supersize it!

Student binders and notebooks as well as backpacks should not be oversized because they must fit in the limited space of a student's locker. Please consult the suggested sizes by subject. Binder sizes should be measured on the outside spine.

Plan ahead – buy early – watch for the sales!

We suggest that students buy these supplies before school begins, when back-to-school specials are offered by local stores.

Grade 7 Basic Supply List : Please be careful to get the supplies listed for your student's language choice—Spanish or Mandarin Chinese--and math option. If you have questions, please email mcclellandb@notredamehighschool.com.
