CRUSADER CONNECTION

Notre Dame High School's Alumni Newsletter

FROM MS. MACK'S DESK

The 2023-2024 school year is off to a fantastic start! We welcomed thirty-five new 7th-grade students to Notre Dame, and they are crushing it in the classroom! Our faculty gained several new teachers whose expertise and enthusiasm for education, as well as their positivity toward building relationships with students, have strengthened the ND family. We were excited for the return of five of our international students for their senior year, who shared that their experiences last year were academically and socially positive and they couldn't imagine spending their Senior year anywhere else!

Our traditions at Notre Dame continue to run deep. Homecoming weekend was highlighted with the blessing of Coach's Corner, adjacent to Joel Stephens Memorial Park. Alumni, students, staff, and families came out to celebrate the life and legacy of Coach Mike D'Aloisio at his newly constructed monument. This was followed by a Varsity Soccer game and the crowning of the Homecoming Queen, Senior Sophia McMaster.

Mercy Week provided opportunities for all grades to go out in the community to volunteer and support our local senior population, animal shelters, the food bank, the community kitchen, and Catholic charities. Highlights from the week were shared on ND social media. Students continue to show kindness and give back to the community throughout the school year, so keep an eye out for future activities and events!

Elinor Gough and Patricia Thorne were awarded the McAuley Award which was presented and celebrated at our annual dinner on October 18, 2023, at the Elmira Country Club. These deserving ladies continue to show support for Notre Dame in the selfless ways Catherine McAuley served as the founder of The Sisters of Mercy. We are so grateful for those who continue to sponsor this event and make it possible for ND to honor deserving individuals.

FROM MS. MACK'S DESK continued

We are looking forward to the start of Quarter 2 and all the joy it brings every year with the celebration of our most prized tradition, Golden Mass, on December 20, 2023, at 1:00 p.m. in the Charles and Mary Crossed Auditorium. Please join us for this celebration of the birth of Christ and the mercy shown to local families by our entire community.

MIDDLE STATES
ACCREDITATION

We are so proud to affirm that Notre Dame has a long history of being recognized for excellence. The school received its first accreditation by the University of the State of New York at a meeting of the Regents on June 29, 1956, while the Middle States Association of Schools and Colleges has accredited Notre Dame since 1961. The first report following the Middle States visit congratulated the staff on “the work you are doing to meet the spiritual, educational, and cultural needs of the student body. That you are doing an outstanding job is evident in the unstrained discipline, friendly manner, and conduct of your student body”. Since that first visit in 1961, the school has maintained its Middle States accreditation through periodic self-studies. Accreditation benefits our school by verifying that the school meets high standards, helping with recruitment, being part of issuing immigration documents for international students, and facilitating strategic planning and self-assessment.

At this time, Notre Dame is participating in the re-accreditation process, “Middle States Excellence by Design Self-Study”. Dr. Deborah Fredo and Mrs. Karen Jennings have been designated primary internal coordinators to manage the self-study. Faculty, board members, and other stakeholders are collecting evidence which will be assessed to determine future goals and action steps, prior to the accreditation visit in Spring 2024.

If you would like to join us on this journey, you may complete our survey [here](#). Results from the survey will help us to set goals for our future.

You can follow the progress of our Middle States journey with updates and reports in future editions of the *Crusader Connection*.

Mercy Education is proud to announce that Notre Dame High School was named to the Advanced Placement (AP) School Honor Roll, with Bronze Distinction. The AP School Honor Roll recognizes schools whose AP programs are delivering results for students while broadening access. Schools can earn this recognition annually based on criteria that reflect a commitment to increasing college-going culture, providing opportunities for students to earn college credit, and maximizing college readiness.

Notre Dame High School celebrated Mrs. Elinor Gough and Ms. Patricia Thorne with the 2023 McAuley Award on October 17, 2023. Notre Dame is truly blessed by their dedication and service to the school over many years. Thank you to all who attended and supported the event.

McAuley Awards

ALUMNI CORNER

by Eileen McCarthy Ruppenthal '81, Business & Alumni Relations Coordinator

Fall welcomes a new school year, as students return to Notre Dame and a new senior class begins the journey toward graduation. Classrooms are busy with activity and laughter rings through the halls. The students, teachers, and staff quickly fall back into rhythm and a myriad of activities are planned and celebrated.

The events of the fall semester encompass both past and present. We welcomed back alumni as we honored the newest members of the Athletic Hall of Fame prior to our Homecoming game, where current students cheered as Sophia McMaster was crowned Homecoming Queen. We were grateful for the support of the ND community as we honored Ellie Gough, an alumni parent and grandparent, and Pat Thorne, a long-time favorite ND English teacher with the McAuley Award. Mercy Week focused on community service, instilling principles that students take with them and share with their communities long after they graduate.

This fall season has also welcomed home several class reunions to the Notre Dame campus. Tours of the school, a fun run on the Molly Huddle Track in the stadium, and lunch in the cafeteria all brought back memories of high school years and time spent with classmates. The through line of each reunion is the memories of the annual events, such as Homecoming. While the details of the events may change with each class, the foundation and the tradition are shared by all alumni.

Notre Dame's current students are celebrating the same events as the classes before them, and they are creating their own memories. Memories that they will carry with them as they leave ND and that they will share with their classmates when they gather for their class reunions in the future.

Keeping Track

This newsletter is meant to inform fellow alumni of the great things you are doing, but we need your help in order to do so! Fill us in on your travels, life experiences, accomplishments, careers, volunteer work, etc. so that we can share your news with your classmates!

COACH'S CORNER

Coach's Corner, featuring the Coach Mike D'Aloisio monument, was unveiled on October 7, 2023, prior to the Homecoming game. **Father John DeSocio '66** joined us for a beautiful blessing and dedication. Thank you to the Joel Stephens Memorial Park committee for this wonderful tribute to our beloved Coach D

REBECCA RYAN '17 BENCH DEDICATION

The Notre Dame community gathered on August 27, 2023, for an afternoon of fellowship to celebrate the life of Rebecca "Beckie" Ryan '17. A bench in Joel Stephens Memorial Park was dedicated in Beckie's honor, and memories and stories were shared, along with Beckie's favorite cookies.

ATHLETIC HALL OF FAME

The Notre Dame Athletic Hall of Fame inductions were held on October 7, 2023, prior to the Homecoming game. The Hall of Fame Class of 2023 includes **Kevin Wilson '95, Christopher Bennett '99, Patrick Waite '03, Megan (Weber '06) Thompson, Sydney (Dimon '12) Green, Mackenzie Maloney '17, and Brian Adams, ND Varsity Soccer Coach.**

Each inductees' athletic accomplishments were highlighted as they were introduced on to the field, prior to receiving their plaque from Head of School, Patricia Mack '85, and Athletic Manager, Brad Bellinger. Congratulations to the newest Hall of Fame members!

Students, faculty, and staff joined our international student Mariana Alanis Navarro in celebrating Dia de los Muertos by creating a traditional ofrenda. Dia de los Muertos is a Mexican holiday where family and friends create ofrenda to honor their deceased loved ones. The altar is decorated with bright marigolds, pictures, and mementos of their loved ones, along with the favorite foods and drinks their loved ones enjoyed. In addition to the ofrenda, students in Spanish II & III performed a Spanish song, researched and presented reports on Hispanic countries, and had the opportunity to try a traditional treat of hot chocolate and pan de muerto provided by Spanish teacher, Sandra Perkins. Dia de los Muertos is celebrated Oct 31-Nov 2, coinciding with All Saints Day and All Souls Day.

A MESSAGE FROM THE PRESIDENT EMERITA

by Sister Mary Walter Hickey, RSM

At the beginning of a new school year, we are reminded of the story of the starfish – the tale of a young girl who spots hundreds of starfish washed up on the beach and proceeds to toss them, one by one back into the ocean – making just a small impact on the overall situation, but a huge impact on each individual starfish. This story illustrates how one person can make a difference by doing one small thing.

You are our “stars” as we continue the work of Catherine McAuley, the foundress of the Sisters of Mercy. The school community joins us in thanking you for your support and we promise to offer our prayers and good works for your intentions.
