

Notre Dame High School Grades 7-8

STUDENT SUPPLY LIST 2023-2024

General Supplies

School Uniforms: Uniform shirts and sweatshirts are available through Foley Enterprises, https://shop.foleyenterprises.com/NDHS_Uniforms/shop/home; the link is also available under the Parents tab on the homepage of the ND website. The dress code, which has directions for shorts, pants, shoes, etc., is available on the website in the [Code of Conduct](#) under the Parents tab. This Code of Conduct will be updated before the new school year begins. Families will be notified when the updated Code of Conduct is posted on the school website. It is recommended to have your student's name on their sweatshirts, as these all look alike and students often take them off during the school day.

Physical Education uniforms: All students must wear ND gym uniforms, top, bottom, and sneakers. The ND PE uniforms will be available through Foley Enterprises just as the regular school uniform. ***Families will be notified by email and weekly updates when these have been added to the online store.*** The Notre Dame Gently Used Uniform Store has several brand-new and gently used PE Uniforms in various sizes. Items are \$5/ea. If you wish to purchase your Crusader's PE Uniforms through the ND Gently Used Uniform Store, please contact Mrs. Barkley at Barkleym@notredamehighschool.com. Items are subject to availability.

Students are always expected to have:

- **Loose leaf paper** for homework and tests, **graph paper**
- **Binder Dividers**—how many will depend on the individual teacher
- **Pens** (dark blue or black), **pencils** with erasers, and a **red pen** for correcting work
- Yellow or light color **highlighters**, pack of **colored pencils**
- A **pencil case/pouch** to hold the previous items; please label them with the student's name.
- All textbooks **covered**—heavy paper or book sock
- ***A laptop or tablet fully charged every day***. Chromebooks are available to borrow through NDHS for those students who do not have their own laptops/tablets. If you need to sign out a Chromebook please contact Mr. Michael Cinquanti-NDHS Technology Director at cinquantim@notredamehighschool.com.

Please bring a box of tissues to donate to your homeroom for use during the year. If everyone contributes, at least we'll be set for the first semester. It is absolutely amazing how many boxes of tissues we go through in a school year, and every student uses them. Please help.

For your information: Locker shelves (9" wide / 11" deep locker), magnetic organizers, and magnets are always a big help. You will be given combination locks for your hall and gym locker and you **MUST use ND locks.**

Don't supersize it!

Student binders and notebooks as well as backpacks should not be oversized because they must fit in the limited space of a student's locker. Please consult the suggested sizes by subject. Binder sizes should be measured on the outside spine.

Plan ahead – buy early – watch for the sales!

We suggest that students buy these supplies before school begins when local stores offer back-to-school-specials.

Grade 7 Basic Supply List : Please be careful to get the supplies listed for your student's language choice—Spanish or Mandarin Chinese--and math option. If you have questions, please email mcclellandb@notredamehighschool.com.
