

**Notre Dame High School Gr. 7-12**, a college preparatory school in Elmira, NY, is currently seeking a highly motivated, goal-driven individual to fulfill the position of part-time Computer Science Teacher. This is a great opportunity for an experienced senior high teacher and offers a low student to teacher ratio. Certification is preferred, experience in Python Coding I & JAVA required. Interest in Robotics is a plus. Retired teachers and professionals with a computer science degree are encouraged to apply. A bachelor's or master's degree in teaching or a related field and past teaching experience are preferred. The successful candidate must demonstrate the ability to work effectively with individuals from diverse backgrounds, and the ability to communicate through written, spoken, and visual media. Salary and benefits are negotiable based on degree and experience.

*In addition to submitting your cover letter and resume, all applicants are asked to complete the Faculty Application Process. Please visit the employment page of the Notre Dame website at [notredamehighschool.com](http://notredamehighschool.com) for more information.*

Job Type: Part-time

Benefits:

- Paid time off (after one year of service)
- Parental leave (after six months of service)

Schedule:

- 4 hour shift
