The main content area starts with a welcome message: 'Welcome, Joseph SMITH, today is Thursday, March 15, 2007'. Below this is a 'Contacts' section with two entries:

Make sure your password is something you can easily remember but is not too easy and is not something that your child(ren) would know or be able to guess.

How to access information about your child – Students tab

Select your child by clicking on the blue arrow to the left of your child's name and address. This will take you to your child's basic information. At the top of this screen is basic information including name, birthdate, address, phone, grade, and homeroom. Please check the information to make sure it's correct.

Underneath the basic information are the various tabs available to you. The first tab will always be the **Contacts tab**. This is your child's contact information. It lists you and any other individual who is a contact for your child. Underneath the contacts are any siblings your child has, with their age, school and grade.

Note the icons at the far right of each contact's name. Below is a brief description of each one:

The **House Icon** indicates the primary contact for the child.

The **Paper/Envelope** icon means that this contact can receive district mailings

The **Green Up Arrow** indicates that this contact is allowed to pick up the child

The **Computer Monitor** means that this contact has a Parent Portal account.

The green text listed below your child's photo is the "Locator" and will reflect where your child is throughout the day.

The Attendance tab

The Attendance tab shows a summary of your child's absences for the current year. Beginning in the 2012-13 school year, prior year attendance information will also be available.
