**Notre Dame High School** is a co-educational Catholic secondary school sponsored by the Sisters of Mercy of the Americas. Notre Dame is a college preparatory school and is currently seeking to fill the position of **Science Teacher** for the 2018-19 school year. The qualified candidate will teach 7th Grade Science, Regents Earth Science and Environmental Science. The ideal individual will possess both teaching experience and certification for grades 7-12, be willing to incorporate the NGSS and 3 dimensional learning into the curriculum, and have effective classroom management skills. The successful candidate will be able to work effectively with individuals from diverse backgrounds and communicate effectively with all stakeholders through written, spoken, and visual media. The science teacher must be committed to continuously developing curriculum and instruction through collaboration. Interest or experience with robotics is a plus. A minimum of a Bachelor's Degree is required, however, a Master's Degree is preferred. Past teaching experience is preferred. Such alternatives to the above qualifications may be considered as the school principal may find appropriate and acceptable.
